November 2026-Department Guard
Audra Ramirez

Greetings, Brothers and Sisters,

As we enter the holiday season, Veterans Day and Thanksgiving remind us of two very important things: gratitude and appreciation for the people who make a difference in our lives.

Veterans Day is a time to honor the brave men and women who have served our country. Their courage, dedication, and sacrifices have helped protect the freedoms we enjoy every day. Many have spent time away from their families, missed important moments, and faced challenges most of us will never fully understand. We should never take their service for granted. Take a moment to thank a veteran and remind them that their sacrifices are appreciated, not just on November 11th, but throughout the year.

As we move toward **Thanksgiving**, we are reminded of the importance of family, friendship, and making time for one another. Life gets busy, and sometimes we get so caught up in our daily responsibilities that we forget to slow down and enjoy the people around us. Thanksgiving gives us an opportunity to gather, share a meal, laugh, make memories, and appreciate the blessings we sometimes overlook.

Both holidays share an important message: don't take things for granted. Remember those who have sacrificed for our freedoms, and cherish the time we have with the people we love.

Respectfully,
Audra Ramirez
