

Americanism
July 2026

“Americanism is an unfailing love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessings of liberty to ourselves and posterity.”

I am excited for the 2026-2027 program year. I will be passing along ideas on how you and your Auxiliary can show your Americanism. The first one is to have your members' report wearing red on Fridays, Remember Everyone Deployed. You can report 15 minutes for each Friday that a member wore red. When you do wear red, it is a good time to explain to people why you wear red on Fridays. The second one is to report when your members flew flags at home. This can be reported as 15 minutes each time you put up and take down your flag. If your member has a flag that flies 24/7 and is illuminated at night, they can report 15 minutes once a month.

For clarity of your reports, please either scan and email, or use snail mail. In the past some of the reports were very hard to read if you took a picture of them with your phone. I am looking forward to reading your monthly reports. Remember the program year is from April 1 to March 30th. So, if you have any reports for the months of April, May or June be sure to send them to me. If I get a report and it doesn't fit into the Americanism category, I will be sure to forward it to the appropriate Chairman.

Come back next month for more ideas on how you can show your Americanism.

Remember, report, report, report.
