Americanism
November 2026

Greetings Brothers and Sisters:

Happy Thanksgiving everyone. This month we celebrate Veterans Day on the 11th of November at the 11th hour. Please send me pictures and reports if you participate in any Veterans Day activities. Also, check with your local schools and see if they honor Veterans in their communities.

I want to remind everyone to wear RED on Fridays. Please report 15 min/person that wore red. One of my Auxiliaries is sending me pictures of those members in their shirts. A fun way to recognize those members. This is also a good time to let people know why we wear red.

Who is flying their flag at home or at work? Have you presented or attended a Missing Man Table Ceremony? These are things you can report.

Remember, report, report, report.
