Americanism
October 2026

Greetings Brothers and Sisters:

This month is Halloween. I hope all of you are looking forward to handing out the candy and seeing all the costumes.

This month I would like to touch upon examples of Americanism in Action. They are:

1. Patriotic Observances
2. Flag Ed. & Etiquette
3. POW/MIA Recognition
4. Missing Man Table Ceremony
5. Star Families Honoring Service Sacrifice
6. Youth Education
7. Community Service with Patriotism
8. Legislative Awareness & Advocacy
9. Displaying the Flag with Pride

If any of you have questions on how to implement these into your Auxiliary, feel free to contact me. I will be happy to help you or get someone that can.

Remember our National Ambassadors interest in using POP signs. Have any of you posted a POP sign on Facebook? If so, please remember to report that.

As reminder, I have two challenges currently going, if you haven't responded refer to my August and September articles. You will find them there.

In July, did you participate in a 4th of July parade, or volunteer for an event for the 4th of July? If so, I would like you to make sure that you report those hours, miles and dollars.

Remember, report, report, report.
