

February 2024

Greetings Brothers and Sisters:

Late with this month's article but I was preparing and attending Mid-Winter Conference. It is always so exciting to hear our department winners for Voice of Democracy and Patriot's Pen.

While at our meeting I am pleased that I received 2 reports from Auxiliaries that had not yet reported. I still have 10 Auxiliaries that haven't reported.

I would like to reiterate that if you want to submit an entry form for National's Auxiliary Outreach Award, I must receive it by March 31st . You can find this form on Malta Under Auxiliary Outreach.

Also, your year-end report is due to me by April 5th . These forms have been handed out at the Learning Academies and again at Mid-Winter. I appreciate all of you that have submitted your reports. They are very interesting to read. Keep up the good work.
