

Hello Brothers and Sisters.

I have been receiving reports. Way to go. If you have gotten one of my packets you see there is a lot of information. I have been getting some calls as well. If I haven't answered some of your calls it is because this month is extremely busy at my Post as we have the Standdown, Veterans Breakfast, potluck and the Oktoberfest Veterans Suicide Awareness fundraiser.

Please email me as I look at my emails in the evening. Next month is not so busy.

Do you know you can use your relief fund to pay dues of members? Did you know you can get a life membership for National Home? I had a question asked of me if we send the money directly to the National Home. No, you send it to Sonya and in the memo you state National Home. Do you want to just send to the Oregon Cottage or the Presidents Special Project of getting the funds to build a convenience store on the National Home property. Specify where you want the funds to go to as well.

If you have ordered Buddy Poppys, put that on your Community Service Reports. Also you can do a Buddy Poppy fundraiser anytime; not just at Memorial Day or Veterans Day. Just make sure you vote on it at your meeting. It does not have to be unanimous. Majority rules. Hope you all have a busy month.
