

My name is Kathy McCauley, and I am the Department Chaplain.

I would like to ask that the Auxiliary Chaplain please send me the name address and email of those that are ill, surgery and death so that I may send cards and get the information out to the other Chaplains in the Department.

Please send me the amount of the cards that you send to your members and Post members. I know that there is not usually anything sent for anything other than a death of a member, but this is part of the job as chaplain. I am going to fix up a year-end report later in the year and get it to the Auxiliaries.

Please email me at kathymcvfwa@gmail.com for mail to 31255 Old Santiam Hwy, Lebanon, OR 97355.

Have a great year as Chaplain.
