

## OCTOBER 2023

October; fall has arrived in full swing. With school sporting events and other activities going on; football, volleyball, cross-country and eSports(of which I am coach for two different types of computer games).

This month we didn't make our 90% goal but we need to keep at it. Together we can make Oregon Shine.

On the wilder side of Oregon; in Ontario, Oregon at our monthly meeting. The post of 5452 gave a pin to the Auxiliary President for being a female veteran; a member received a plaque by the Post for seventy-one continuous years of service. Members also received a certificate for thirty-five years, one for thirty-four years, one for twenty-four years. While I received an award for twenty-three years of service. The Auxiliary had the visit by District 6 Senior Vice President Tanya Melnikoff.
