

## **SEPTEMBER 2023**

On the 6th of September I attended the monthly meeting using Google Meet; VFW Auxiliary 5452 Ontario. Later that evening I attended the Line Officer meeting with GoTo.

On September 8th with Linda Fisher we went to visit the Harney County Museum in Burns Oregon where a Ladies Auxiliary of the Veterans of Foreign Wars is on display; unfortunately the old uniform is no longer on display.

On the 9th of September; Linda Fisher and myself went to District 10 Spring meeting in Prineville, Oregon at Dexter Fincher Post #1412. Where their four Auxiliaries were present.

To date it has been a great month; let us hope that Oregon continues to shine.
