

NOVEMBER 2023

Greetings Brothers and Sisters.

This month we celebrate Veteran's Day and Thanksgiving. I hope everyone can attend at least one of the many events being held to honor our veterans. It is also time to put the Mid-Winter Conference on your calendar, which will be held in Portland at the Sheraton Portland Airport Hotel February 2 – 4, 2024. Information can be found on the Departments website.

I am looking forward to seeing you at the conference. Not only will we be conducting business, but we will get to hear the Voice of Democracy winners give their speeches at the Saturday night banquet.

Wishing you all a Happy Thanksgiving.
