

OCTOBER 2023

Greetings Brothers and Sisters.

I just wanted to wish everyone a Spooktacular Halloween. Many of you will be participating in events this month that can be reported. Please remember to track your hours, miles, dollars, and number of people. We want to make Oregon shine this year.

On a personal note, my hip surgery went well, and I am feeling great. I am getting around without any medical device assistance so I will be ready for Mid-Winter in February.

Happy Halloween.
