

## **FEBRUARY 2024**

It's hard to believe that February is already here and that Mid-Winter has already gone by. It was a wonderful weekend and soon we will be off to the East Coast for the National Auxiliary Mid-Winter cruise.

If anyone took pictures while at Mid-Winter, contact me or President Debbie for the link to PhotoCircle so that you can download your pictures and we can put them in Cookie's book.

Please remember to interview your Legacy Member interview. I would love to get quite a few of them. If you need help or have questions, please contact me. I already have one member that wants help doing it after I get back from the cruise and I am willing to help as many of you that need it.

I have requested a table for the Convention to display the History books. Please bring any old ones that you may have so that members are able to look at them and get ideas. Past Department Presidents, please bring yours.

Thank you for all you do for our veterans and their families.
