

Hello Brothers and Sisters,

It's time to think of the Legacy member that you want to interview for your 3–5-minute interview. If you need help just contact me and Alysén and I will come and help you. She has a video camera that we can use to do the interview. It must be on a flash drive and sent to me with the form filled out by March 31, 2024. If you have more than 1 member that you want to interview, please do as many as you want. Send them to me and I will have them judged to send the winning interview to National. All the Auxiliaries that send it in will receive a Certificate from National.

President Debbie has us using an app on our phones called Photo Circle. All you do is download it, contact me for an invite and we will send it and you can download the pictures. Please make sure to put the 5 W's in the caption so that names, and places are correct. We used it for The Learning Academies and for the National President's visit and it worked out great. I am setting up one for activities in the Auxiliaries and Districts. I will do one for Mid-Winter and Convention, along with the other activities that we will be going to.

I am sending packets to each Auxiliary President and District President that I handed out at the Learning Academies. This way I know that it is out there. Please give it to your Historians if you have one. I am expecting to see many History books this year at Convention in Canyonville.

Hope all of you are doing well.
