

**July 2023**

Hello Brothers and Sisters,

The new program year is beginning and we are all excited to see you and let you know about our programs.

First, if anyone goes to National with the group and you take pictures, please get them to me so that I can have them for Debby's book that I will begin working on after we get done with the learning academies.

This year my Ambassador, Diana, has a different theme going to honor our longtime members. She would like a 3–5-minute interview of one of your members. You pick the questions and have fun. Send me the interview on a flash drive and the form that is on MALTA. Send them to me so I can sign them and the Auxiliary will get a Certificate from National. It would also be fun if you would post it on your Facebook page that you have set up for your Auxiliary. You can do more than one interview and learn from our Mentors. I will try and have a copy of that form in the packets for the Learning Academies.

I will not be at the first one in Pendleton this year, but I will be at the other two.

I am hoping you all enjoyed the Convention at Seven Feathers this year and took lots of pictures to help me. I hear that we will be there again next year.
