

JANUARY 2024

Hello brothers and sisters of Oregon. I hope your new year will be better for you than last year.

I want to remind all of you to report what your are doing with your Post and your Auxiliary and what you are doing at your meetings.

I would also like you to remember to vote for the people who are doing for the Veteran, their family members and who love the United States of America. Make sure you check their records to see how they vote for our veterans.

We need people in power who go by the Constitution, Bill of Rights, Deceleration of Independence and love God. We need to know they are truthful and honest.

Take care and report what you are doing. Thanks to all who have been diligently sending in reports.
