

SEPTEMBER 2022

Hi Sisters and Brothers!

I want to thank all of you who were at our Training Academies. You made it a fun time for us all. If it wasn't for you, we couldn't do what we do for our veterans. Thank you again for coming and learning what you can do to help our veterans.

Remember to read and take action in your weekly Action Corps newsletter. If you haven't signed up, please do so. Go to: VFW Action Corps Weekly and at the top of the page you hit the join. It's that easy. When you read your Action Corps and take action, turn that in to me. When you join The Action Corps, please turn that in to me also.

Remember to report all you do every month.

Loyally,

Denise Keeton, Department of Oregon Chapin
