

January 2024

What can I say except Wow!!! about the increase in Membership this month. My article last month showed that we were at 93.17% on the end of November and today the department is at 96.49%!!!! We only need 159 members to be 100%, that's like a drop in the bucket that we needed when we started this journey in July. Thank you all for your hard work. It's nice to see our numbers getting larger and larger every day. We have quite a few auxiliaries that only need a few members to become 100% for the year. These are the totals that each auxiliary needs to be 100%. #4248- needs 15, #3182-needs 1, #6102-need 3, #1383- need 17, #12141- needs 1, #293-needs 2, #3232- needs 4, #3965-need 2, #584-need 2, #732-need 1, #3237-need 26, #180-need 7, #1324- need 7, #3973- need 4, #4273- need 1, #6057- need 5 and #4211- need 3. There are so many of the auxiliaries that are so close, please consider getting the ones that are left for your auxiliary to do some dues angels to help take care of your members.

We had two winners of the membership incentive for the month of November. On the 11th a ticket was drawn for Let'er Buck #922 for a \$100.00 prize for being 100%+. Then on November 30th, the ticket was drawn, and Winston #9745 won the other \$100.00 that was donated for this gift. A lot of auxiliaries paid their dues during the month of November to get in that last drawing and thank you all very much.

If you have any dues angels that you haven't sent into the me, please get them sent in so that I can have the tickets made up for Mid-Winter conference. Remember we will have two \$25.00 winners for dues angels. If your auxiliary paid for some of your members, please send them in also, they can win the \$25.00 also.

Please if you have any bazaars or community event, set up a membership booth, we need to start getting new members involved in this organization. Get a roster from your quartermaster of the Post members and see if any of them have wives, mothers or sisters that are eligible to become members. We need to find new members to help this organization and by getting other family members it will help us grow.
