

## **NOVEMBER 2023**

The holidays are closing in on us. Everyone will be involved in activities and family time. During this busy time don't forget to take some time out of your activities to deliver your scholarship applications out to the schools and to home schooled children and youth. While you are doing that, please think about making donations to the scholarship fund. Any amount is appreciated and will be put to wonderful use. These donations are investments in a young person's future.

A reminder to send in your monthly reports of anything you have done pertaining to the scholarship program to me. Make a copy for yourself. This will make your reporting easier at the end of the year.

The next scholarship deadline is February 15, 2024. This is for the Oregon Continuing Education Scholarship which is due to me and the VFW Auxiliary Continuing Education Scholarship which is due at VFW Auxiliary National Headquarters.

Have a safe and enjoyable Thanksgiving. Reflect on your blessings and the blessings you bestow on our veterans, their families and those that need assistance showing someone cares. That someone is you.
