April Article

Greetings Brothers and Sisters

Wow here it is April already. Time to get your Auxiliaries ready to vote on next year's Officers. Remember to Nominate and Elect this month and Install in May.

You should be receiving Postcards or Letters from your Line Officers. Please take a moment and read them and support them for the upcoming year.

I am getting excited, nervous, and anxious but really looking forward to the upcoming year and the great Team we have working for each and everyone of you. If you are interested in learning more about becoming a Line Officer, please reach out to any of the past or current Officers, I will guarantee you they are an abundance of information and willing to help or mentor you for what ever position you are interested in. Or if you are interested in a program reach out to the current or past program chairman, they will be more then happy to help you learn.
