

OCTOBER 2023

Greetings Brothers and Sisters

October is here, weather is cooling, colors are changing, days are getting shorter, and nights are getting

longer.

In a few weeks will be the National Western Conference in Salt Lake City, UT and I am hoping many from

Oregon will be attending. Please join in to make Oregon shine.

Things are moving along rather quickly this year. Looking at the calendar I have many things to

accomplish before the end of June. I am in the process of making notes for Chairmanships, for who

would like to host an academy, and a multitude of things to prepare for next year. Eight months seems

a long way off until you start looking at things that must be done.

Every day is a learning day and thank you to all my Mentors out there that have been awesome with

answering my million and one questions.

I have a simple request for all my brothers and sisters. If you are considering wanting to be a chairman

for my year, please reach out to me via email and tell me what program and why you would be a great

fit to my team. Also, would your auxiliary like to host an Academy? Please let me know what is out

there. Unfortunately, I have not been to every Auxiliary in our state but I have been to many through

my years as a chairman.

Appreciate your time and looking forward to hearing from many.
