

September 2026

Greetings Brothers and Sisters;

August was a busy month, with Training Academies scheduled during each of the last three weekends, in Redmond, Albany, and Roseburg. We had two outbreak sessions for the Secretary's and the Treasurer's. As well as new member training, an overview of the Website and Malta and went over rights and responsibilities, how a meeting should be run, parliamentary procedures and Roberts Rules, bylaws and reporting. It was great seeing all who were able to attend.

Next, we have the Fall District meetings. Hopefully everyone will be able to make it to your District meeting. It is such a great time to come together and share the ideas that you each have for your Auxiliaries.

“Together Honoring the Past while Embracing the Future”
