

DECEMBER 2023

Happy holidays!! I can hardly believe that it is December already. This year has flown by so fast.

Since it is the season for giving, I want to encourage you all to consider making donations to the MAP grant program, the Sports Clips program or the State or National Service Officers program, if your Auxiliary hasn't already done so.

Please remember your local veterans as well. Donations of time or money to local food banks, homeless shelters or warming shelters can help homeless veterans in need.

Maybe your Auxiliary can host a dessert night to do something nice for our veteran's caregivers. They would appreciate the acknowledgement for all their tireless work taking care of their veteran. A piece of pie, a cup of cocoa and companionship would be welcome, I'm sure.

How 'bout a gift for yours truly. Writing a report and sending it to me would be the greatest gift that I could receive this Christmas.

To the Auxiliaries that I haven't received a report from; are you on Santa's naughty list??

Please don't be. Quick, send me a Veterans and Family Support program report. You can mail it to me, email it to me or even text or call it in to me. I know that you have been working hard helping our veterans and their families. Take a minute and let me know about it.

I hope that you all have a very happy holiday season and a healthy and prosperous New Year.
