

AUGUST 2023

Hi Everyone, Is it time for back to School already?

Now might be a good time to touch bases with your local youth organizations and assess your areas needs such as school supplies, backpacks. etc.

During your inquires, be sure mention our Illustrate America Art contest and the Get Ready for the Red White And Blue singing Contest. Promoting this early will give the Kiddos plenty of time to work on their projects.

Be sure to take a look at The Patriotic Book list Consider sponsoring some books for a class or scout group, the Kids will love it!

Last but not least, I hope you can attend at one of the Training Academies this month. It will be very different this year, I think you're going to like it

Happy Summer

Loyally,
