

September 2023

Hello Everyone,

It was a pleasure meeting many of you at the Pendleton and Oregon City Training Academies, although I wasn't able to attend Redmond, I'm sure we will cross paths at future event.

September is a big month for kids, and patriotic days. It's fun and easy to combine the two, with RAP cards, handheld flags or the wonderful, new children's illustration books that are found at the VFW Store.

Please be sure to report and include pictures of your event. Thank you very much, have a great September.

Loyally,
